## DESCRIPTION

# **MX18FB      Cubigel      ACC      hermetic compressor**

- 230V-50 Hz.
- LBP.
- power: 5/8 HP.
- height: 221 mm.
- suction connection: 3/8 “.
- connection press: 5/16 “.
- displacement cm<sup>3</sup>: 18.40.
- gas type: R404A/R507.
- SA = soldering connection
- With the most extended models and 3 levels of efficiency – Standard, High and Very High – using the optional run capacitor concept.
- The Cubigel range offers a solution for all cooling applications.
- The P models are High back pressure compressors for R404A
- Like refrigerators, freezers, bottle coolers, can coolers, ice cream freezers, vending machines, beer dispensers, soft drink dispensers and ice makers.
- The most complete range of Cubigel compressors and Cubigel condensing units for every type of commercial application.
- Cubigel is part of Huayi Compressor Co. Ltd. group in Barcelona, and specializes in designing, manufacturing and selling hermetic compressors and condensing units for the light commercial refrigeration market.
- The Cubigel company focuses on a product innovation strategy based on a strong R&D team, enhanced know-how and more than 50 years of experience providing a broad range of solutions to the commercial refrigeration industry.
