Product Description

ACC 0F789 Refrigeration compressor R134a 220-240V/50Hz

1.Refrigerator Compressor

- 1).Excellent starting performance
- 2).Small space, light weight
- 3).Low noise
- 4). Little vibration

2.Feature:

- 1)Reasonable structure and compact size
- 2)High efficiency, energy saving
- 3)Stable performance, high security
- 4)Good adaptability of voltage
- 5)Excellent refrigeration
- 6)Wild range of refrigerant capacity

	Model	Displacement	Height	Motor	Type	Cooling capacity	COP	Power	Supply
