The FNT-B370K is a 310-liter top-freezer refrigerator from Fresh. It has a capacity of 157 liters in the freezer and 153 liters in the fridge. It has LED lighting, a Fresh Plasma Ionizer filter, and tempered glass shelves. It measures 650mm wide, 1572mm high, and 635mm deep.

Here are some of the features of the FNT-B370K:

- LED lighting: Provides bright and uniform lighting inside the refrigerator.

- Fresh Plasma Ionizer filter: Helps to remove bacteria and odours from the air inside the refrigerator.
  - Tempered glass shelves: Durable and easy to clean.
  - Large freezer capacity: Enough space to store frozen food for up to 3 months.
  - Convertible vegetable drawer: Can be used as a crisper drawer or a deli drawer.
  - Adjustable feet: Allows you to level the refrigerator on uneven surfaces.
- The FNT-B370K is a good option for small households or apartments. It is energy-efficient and has a number of features that make it a practical choice for storing food.

Here are some of the pros and cons of the FNT-B370K:

**Pros:**

- Energy-efficient
- Large freezer capacity
- LED lighting
- Fresh Plasma Ionizer filter
- Tempered glass shelves
- Convertible vegetable drawer
- Adjustable feet

**Cons:**

- No water dispenser
- No ice maker
- No humidity control in the vegetable drawer

Overall, the FNT-B370K is a good value for the price. It is a well-made refrigerator with a number of features that make it a practical choice for small households or apartments.

The FNT-B370K is a compressor for a specific HP refrigerator model. It is a hermetic reciprocating compressor that uses R600a refrigerant. The compressor has a power rating of 1/5 HP and a running current of 1.7 A. It is rated for a maximum ambient temperature of 43 degrees Celsius.

Here are some of the specifications of the FNT-B370K compressor:

- Model: FNT-B370K
- Refrigerant: R600a
- Power rating: 1/5 HP
- Running current: 1.7 A
- Maximum ambient temperature: 43 degrees Celsius
- Dimensions: 120 x 80 x 120 mm
- Weight: 2.5 kg

If you are looking for a replacement compressor for your HP refrigerator, the FNT-B370K is a good option. However, it is important to make sure that the compressor is compatible with your specific refrigerator model. You can check the compatibility by looking at the compressor's model number or by contacting HP customer support.
