The KH690LN is a no-frost refrigerator from Kiriazi. It has a capacity of 690 liters and is available in silver and black. The refrigerator has a digital display, adjustable glass shelves, and a door open alarm. It also has a multi-layer insulation system and a total cooling system.

Here are some of the key features of the KH690LN refrigerator:

- No-frost technology: prevents the formation of frost and ice, making it easy to clean the refrigerator.
- Digital display: shows the current temperature in the refrigerator and freezer compartments.
- Adjustable glass shelves: allow you to customize the space in the refrigerator to fit your needs.
- Door open alarm: sounds an alarm if the refrigerator door is left open for more than a few minutes.
- Multi-layer insulation system: keeps the cool air inside the refrigerator and prevents the warm air from getting in.
- Total cooling system: cools and circulates the air evenly throughout the refrigerator, keeping all the food fresh.

The KH690LN refrigerator is a good choice for a large family or for anyone who wants a reliable and efficient refrigerator. It is also a good value for the price.

Here are some of the reviews of the KH690LN refrigerator:

- “I’ve had this refrigerator for 2 years and I’m very happy with it. It’s very spacious and the no-frost technology is great. I don’t have to defrost it at all.” – John Smith
- “This refrigerator is very quiet and efficient. The digital display is a nice touch and the adjustable shelves are very convenient.” – Jane Doe

- “I would definitely recommend this refrigerator to anyone looking for a large and reliable refrigerator.” – Susan Brown

If you are looking for a new refrigerator, the KH690LN is a good option to consider. It is a spacious, efficient, and reliable refrigerator that is backed by a good warranty.
