Winter Company for Refrigeration offers all refrigeration accessories sourced

from top international brands including blue. Located in 6th of October City, Industrial Zone 2, Hamada Street, the company welcomes visits to explore their wide range of products. They can be contacted via phone numbers 01060032262, 01022856319, and 0155 522 6348 for inquiries and support.

Winter specializes in supplying high-quality refrigeration compressors, cooling units, and complete refrigeration packages for industrial and commercial use. Their products meet international standards for reliability and energy efficiency. The company has extensive experience servicing refrigeration systems in Egypt, especially within industrial zones.

Customers can rely on Winter for both product supply and technical maintenance support, making it a prominent choice in refrigeration solutions in the region. For detailed product specifications or tailored solutions, direct contact or visits to the company's location are recommended, ensuring personalized service and expert advice.

This company is part of a global network that provides industrial refrigeration solutions, including ammonia and CO2-based systems with a focus on environmental protection and efficient cooling technology. [winter-kaeltetechnik+2](#)

In summary, Winter Company offers trusted refrigeration products and services ideal for various refrigeration needs in Egypt's industrial sectors, backed by internationally certified products and expert technical support.

Welcome to mbsmpro.com, your new go-to destination for insightful content and the latest updates in technology, lifestyle, and more!

We're thrilled to launch this site where you'll find a variety of articles, tips, and resources designed to inform and inspire. Whether you're here to explore the newest trends, discover practical advice, or simply stay connected to the world around you, mbsmpro.com aims to be your trusted companion.

Our team is committed to delivering quality content regularly, covering topics that matter to you. We also host a platform for advertisements that support keeping this site free and vibrant.

Stay tuned for exciting posts coming soon, and don't hesitate to reach out or share your thoughts with us. Thank you for joining us from day one—let's embark on this journey together!

Welcome aboard to mbsmpro.com!

## Mbsm.pro, 8HP Open Type 3pH 220V 60Hz Aircooled S4n-8.2y-40p Compressor Condensing Unit

Category: compressor

written by [www.mbsm.pro](http://www.mbsm.pro) | 21 October 2025

## Product Description

Product Description

Product name: condensing unit  
Compressor type: Semi-hermetic  
Application: Refrigeration Parts  
Color: Green  
Brand Name: Enfriar  
Compressor: 8 Hp semi-hermetic compressor  
Voltage: 3/220V/60HZ  
Refrigerant: R404A

The compressor is mainly adopts semi-hermetic compressor, .It can also choose other brands of compressors. 1. The use of high-quality copper tube aluminum sheet condenser, large heat exchange area, high heat exchange efficiency; 2. A two-speed low-speed fan is used, and the fan speed can be adjusted according to the change in condensing pressure; 3. Selection of imported refrigeration accessories, complete configuration, good reliability of unit operation; 4. The main electrical components of the electrical unit of the unit adopt Delixi which has multiple protections such as overheating and overload, phase loss, and frequent start prevention; 5. The product structure is divided into integral type and split type, which can meet various needs of customers.

Detailed Images

### Air-cooled condenser

- 1: Use mechanical expansion tube to make copper tube and aluminum fin closely combined, high heat exchange efficiency
- 2: The motor adopts external rotor motor, high efficiency and energy saving
- 3: It can be customized in different styles.

### Air -Cooled Condensing Units Parts Components

Compressor, Air cooled condenser, Oil separator, Gas separator, Vibration absorber, filter, solenoid valve, liquid mirror, reservoir and other parts of conventional units
