REFRIGERATING COMPRESSORS

**WARNING**

Installation and servicing must be performed by trained personnel only. Failure to follow safety warnings could result in serious injury or death.  
Always use proper safety practices when working with refrigerant. Do not use open flame or smoking materials near the unit.  
Do not touch the refrigerant lines. They are very cold and can cause frostbite.  
Do not touch the refrigerant lines. They are very hot and can cause burns.  
Do not touch the refrigerant lines. They are very cold and can cause frostbite.  
Do not touch the refrigerant lines. They are very hot and can cause burns.

**CAUTION**

Use only manufacturer's approved refrigerants, lubricants and electrical components. Use of other components may void the warranty and could result in fire, explosion, or other hazards.  
Do not touch the refrigerant lines. They are very cold and can cause frostbite.  
Do not touch the refrigerant lines. They are very hot and can cause burns.
