www.mbsm.pro , Poeme Arabe Mounir Ben Salah Miled

ياربي أنت
أملي وإليك السؤال
عطشي يملأ كأسي
وشيطان الأكل يملا رأسي
أهيم بها وهي في يدي سهلة المنال
تراقصني وتختفي بدسم سمها
كأفعى الرمال
يشهق الماء في وسطها
وينافس أعلاها كل الجبال
حب ورمان
وخبز النور وريق السمان
وأنا أدفع شهوتي
واقاتلها قتال الأبطال
ياربي لن ألمسها إلا في الحلال

Ubuntu (/ʊ'bu:ntʊ/ uu-BOON-tuu) is a Debian-based Linux operating system and distribution for personal computers, smartphones and network servers. It uses Unity as its default user interface. It is based on free software and named after the Southern African philosophy of ubuntu (literally, “human-ness”), which often is translated as “humanity towards others” or “the belief in a universal bond of sharing that connects all humanity”.
Development of Ubuntu is led by UK-based Canonical Ltd., a company owned by South African entrepreneur Mark Shuttleworth. Canonical generates revenue through the sale of technical support and other services related to Ubuntu. The Ubuntu project is publicly committed to the principles of open-source software

development; people are encouraged to use free software, study how it works, improve upon it, and distribute it
In March 2016 Microsoft announced that they would support the Ubuntu userland on top of the Windows 10 kernel by implementing the Linux system calls as a subsystem. The focus lies on command-line tools like Bash and is therefore primarily directed towards developers.

Louisville says goodbye to Ali

Celebrities, politicians and fans of Muhammad Ali have come together in the boxing legend’s hometown of Louisville for a two-day farewell to the four-time world heavyweight champion, known as “The Greatest,” who died on June 3 at age 74.

A well-wisher holding a banner touches the hearse carrying the remains of Muhammad Ali during the funeral procession for the three-time heavyweight boxing champion in Louisville, Kentucky, June 10, 2016.
