BEKO FRIDGE & FREEZER

More About This Product

Fitting

This product is manufactured and designed to be compatible or used with appliances of the brand or manufacturer listed above, or for selected commercial/domestic applications.

Other Information

None, at present.

Product Classification

This is a genuine original product made and supplied by the original equipment manufacturer (OEM). In order to maintain a valid warranty it is recommended to always use genuine original products. Genuine original products are specifically manufactured to increase the performance, functionality and life-span of your machine.

Manufacturer Information

We stock and supply a range of Beko, Blomberg, Flavel, Leisure Arcelik Group products.

Beko has become one of the fastest growing brands in the UK offering today an extensive product range including refrigeration, laundry, dishwashers and television. Second largest brand in Turkey, its home market, Beko continues to develop the mission and the reputation to serve customers with innovative products that genuinely surprise them, like the New Xpress Washing machine. Beko has been operating in the UK & Ireland since 1990 and is the UK's Best-selling Large Home Appliance brand. Designed to make your life easier thanks to super-fast programmes and energy saving technology – Beko delivers exceptional value for money, providing smart, innovative and energy efficient home appliances. Beko has achieved an average of 9 out of 10 review score from thousands of customer reviews for its range of American style fridge freezers, Built In Ovens and washing machines.

Consumables

Bulk Ordering

This product may be offered in bulk quantities, please refer to the box or pallet quantity in the specification box above. There may be a bulk discount available. In order to benefit from any discount available, add the box or pallet quantity (or multiples thereof) to your basket and the price will be updated automatically.

Related Items & Substitutes

Where available we may have an alternative or substitute product, or other items we think you may be interested in. Please see below.

| Spécifications | |
|------------------------------------|--------------------------|
| Lieu de production | Turquie |
| Marque | Électrique turc |
| Type de compresseur | Piston hermétique |
| Régime de travail | LBP (-23,3 oC / 54,4 oC) |
| Puissance du compresseur (Hp) | 1/3 |
| Approvisionnement en électricité | 220-240V |
| Fluide réfrigérant | R600a R600a |
| Capacité de refroidissement (Watt) | 198 |
| Type de moteur | Phase 1 - PTCSCR |
| Boom. | - |
| Modèle compresseur | NTU170MT |
| Volume de balayage (cm3/rev) | 11,55 |
| Fréquence (Hz) | 50 |
| Ligne d'aspiration | 1/4" |
| Ligne push | 3/16" |
