The infographic features a blue background with a white and yellow title. It is divided into two columns. The left column, titled 'AC COMPRESSOR' in a blue box, lists four bullet points: 'Runs on Alternating Current', 'Less Energy Efficient', 'Noisy Operation', and 'Simple and Cost-effective'. The right column, titled 'DC COMPRESSOR' in a green box, lists four bullet points: 'Runs on Direct Current', 'Highly Energy Efficient', 'Quiet Operation', and 'Advanced Speed Control'. Below the text, two black compressor units are shown side-by-side on a light blue surface. The unit on the right has a white label that reads 'DIGITAL INVERTER'.
